Epistle of St. Paul to the Romans - Handley C. G. Moule

## The Epistle of St. Paul to the Romans Handley Carr Glyn Moule

He who attempts to expound the Epistle to the Romans, when his sacred task is over, is little disposed to speak about his Commentary; he is occupied rather with an ever deeper reverence and wonder over the Text which he has been permitted to handle, a Text so full of a marvellous man, above all so full of God. It remains only to express the hope that these pages may serve in some degree to convey to their readers a new Tolle, Lege for the divine Text itself; if only by suggesting to them sometimes the words of St Augustine, "To Paul I appeal from all interpreters of his writings." (From the Preface)
